Good afternoon student,

We are so pleased to announce that we were able to participate in the Higher Education Emergency Relief Fund (HEERF) Grant for students!

You may use these funds for eligible expenses to cover expenses related to the disruption of campus operations due to COVID-19. Eligible expenses include those covered under cost of attendance such as Room and Board, Personal and Transportation expenses.

These are grant funds, they do not accrue interest and are not required to be paid back to the school or the government. These funds will not be used by the school to satisfy outstanding tuition balance. All students will receive a check even if you are not already using financial aid. The goal of this money is to ease financial strain caused by COVID-19 closures.
