

The Chrysm Institute of Esthetics

Students Using Veteran's Affairs (VA) Education Benefits

Service Member Students Who Have Never Used VA Education Benefits

- Student will need to apply to use education benefits by going to www.VA.gov/education/how-to-apply/
- The VA will process application and upon approval will send either a paper letter called the Certificate of Eligibility or will provide a Statement of Benefits electronically
- The student will provide the Certificate of Eligibility or Statement of Benefits to the school as proof that they are approved to receive education benefits from the VA

Service Member Students Who Have Used VA Education Benefits at a Previous Institution

- Student will need to complete a Change of Place of Program Form with the VA. The form can be completed online through the application page at www.VA.gov/education/how-to-apply/
- The student will need to provide proof that the form was completed to the school via screenshot or confirmation email
- The VA will process the application and upon approval generate an updated Certificate of Eligibility on paper or will provide a Statement of Benefits electronically
- The student will provide the updated Certificate of Eligibility or Statement of Benefits to the school as proof that they are approved to receive education benefits from the VA for their updated program and school

Dependents of Service Members Receiving Transferred or Dependent Benefits

- The service member will first need to apply to use education benefits by going to www.VA.gov/education/how-to-apply/
- The VA will process the application and upon approval will generate a paper letter called the Certificate of Eligibility or will provide a Statement of Benefits electronically for the service member
- The service member will need to contact the VA to transfer their benefit to dependents
- Once the transfer has been approved by the VA, the dependent student will receive a letter indicating that benefits have been transferred to them
- The dependent student will then need to apply to use the transferred benefit by going to www.VA.gov/education/how-to-apply/
- The VA will process the application and upon approval will generate a paper letter called the Certificate of Eligibility or will provide a Statement of Benefits electronically for the dependent student
- The student will provide the Certificate of Eligibility or Statement of Benefits to the school as proof that they are approved to receive education benefits from the VA

Please note that VA processing times for each step in the application process can take up to 30 days. It is recommended that students begin the application process as soon as possible to ensure that all VA benefits are approved before enrollment. Once the student signs an Enrollment Contract, The Chrysm Institute of Esthetics is responsible for certifying the student's enrollment with the VA. The VA will then disburse benefits to the school and/or student depending on the Chapter of VA benefits the student is approved to receive.

By signing this form below, I the student allow The Chrysm Institute of Esthetics to certify my enrollment with the VA for my education benefits to be used at The Chrysm Institute of Esthetics once enrolled.
